

ENDORSEMENTS

Rick King will have your people tapping their feet, clapping their hands and praising the Lord. Any pastor who has him sing will be asked buy his congregation to have him back soon. I have had Rick sing in our worship services, in concert and in special events. He has never failed to lift up Jesus and the hearts of our people. I recommend his ministry with no reservation whatsoever.

I can truly say that Rick has been blessed with a special talent! As an Activity Coordinator for a health care corporation, I planned performances for music therapy in our facility. Rick is one of those special talents that the residents looked forward to watching and hearing perform at any time. He always performed with great enthusiasm and spirit.

This is just a note to let you know how much your ministry and presence was appreciated. Please feel welcome to worship and minister with us at any time in the future. I pray that you were blessed as we were.

Rev. Joel and Rose Perales, Rev. Johnny Minick, and the staff of both English and Spanish congregations of RIVER OF LIFE CHURCH in Smyrna, TN, wish to thank you for your participation in the FESTIVAL DE LA FAMILIA, 2003. Thank you for helping us reach the Hispanic population of our city and surrounding areas. We plan to have a series of outreach programs and we will be calling on you again. May the Lord richly bless you and yours for your efforts.

Rev. Joel and Rose Perales

I have known Rick for a number of years and am pleased to recommend him. Rick is a gifted musician who uses his skills as a talented pianist and tenor to bless audiences with inspiring gospel music. At one time Rick was pianist and soloist at Station Camp Baptist Church. Your heart will truly be blessed by the music of Rick Alan King.
